## ADOPTION APPLICATION

**Please note: NCKR asks that adopted animals be indoor only, and our contract includes a no declawing clause for our cat/kittens.**

This application is to help us find out if you and the kitten/cat are the right fit for each other. Please remember that our cats and kittens were once feral, and may need patience and time to adjust to a new environment and new people to trust and love. Do not be surprised if they hide at first. Be patient, and know we are here to help at all stages of adoption.
